SORRY

**We missed the Newsletter for
November.**

We've have a couple of inspections taking place at the surgery over the last few weeks so we have been busy preparing for these.

Our first was a contact monitoring visit from Walsall CCG. This to check that we are meeting the requirements of our contract.

The second was a CQC (Care Quality Commission) Inspection. This looks at our services and management of the practice and the outcome gives us a rating.

We think we did well on both but will know more after Christmas!
