Give us your Feedback

We are interested in patient opinion and suggestions about the surgery.

Please give us you feedback and thoughts about how satisfied you are with the practice in general and the services we offer.

Could we make any improvements to our service?

Is there something you could like to see happening?

Please let us know. You can drop your suggestions in the prescription boxes in surgery, submit them by email at walsallccg.pmpgp@nhs.net or leave us a review on the website NHS CHOICES.

Black Country

Chlamydia Screening Programme

www.rusureblackcountry.nhs.uk

Email: rusure@walsall.nhs.uk

Tel: 01922 270 554

R U Sure is the Black Country Chlamydia Screening Programme covering Walsall, Wolverhampton, Sandwell and Dudley.

We offer free, simple self taken tests to screen for the sexually transmitted infection, Chlamydia, which can be easily treated with antibiotics.

Males and females aged 15-25 years of age can request screening under this programme.
