## Practice Information

### Our Mission Statement:

To provide patients with high quality, accessible care in a safe responsive and courteous manner.

Parkside Medical Practice is a single handed practice which is supported by Black Country and West Birmingham CCG.

Once registered, patients will be assigned to Dr D Jay as their accountable GP.

We also have another male & female GP and a Nurse Practitioner who can prescribe medication and make referrals. Patients are however entitled to see a clinician of their choice.

Data Protection Act 1998

Any information held by the practice is kept confidential and we adhere to the General Data Protection Act 2018.

A record of your medication, allergies and adverse reactions is shared with other health professionals within the NHS. You can opt out of this programme or give consent for more details to be shared.

### Other ways to complain...

#### Complaining to NHS England

NHS England welcomes concerns, compliments and complaints as valuable feedback that will help us learn from your experiences and make improvements to services we commission.

You can complain or give feedback:

#### By post to:

**NHS England**  
PO Box 16738  
Redditch  
B97 9PT

**By email to:** [england.contactus@nhs.net](mailto:england.contactus@nhs.net)

**Telephone:** 0300 311 22 33

**Our opening hours are:** 8am to 6pm Monday to Friday, except Wednesdays when we open at the later time of 9.30am. We are closed on bank holidays.

#### NHS Improvement

**If you need to ask for advice or raise a complaint or concern**

**Telephone:** 0300 123 2257

**Email:** [enquiries@improvement.nhs.uk](mailto:enquiries@improvement.nhs.uk)

**In writing :** Wellington House, 133-155 Waterloo Road, London, SE1 8UG

## Black Country and West Birmingham CCG

The CCG's corporate headquarters is based at Civic Centre, St Peter's Square, Wolverhampton WV1 1SH.

The main switchboard is currently being managed by staff at Jubilee House, Walsall, and can be contacted on 01922 618388.

## Complaints/Comments

At Parkside Medical Practice we always try to provide the best service possible; there may be times when you feel this has not happened.

Please note that we have to respect our duty of confidentiality to patients and a patient's consent will be required if a complaint is made by a third party.

If you wish to make a complaint please telephone or write to the practice manager. We will then acknowledge your complaint in writing or verbally within a period of 3 working days.

We aim to give you an outcome to your complaint within 10 working days although occasionally it may take longer. You are also invited to discuss your concerns in a meeting if you wish to.

The periods of time within which a complaint can be made is normally:

12 months from the date on which the event / incident which is the subject of the complaint occurred; or

12 months from the date on which the event / incident which is the subject of the complaint comes to the complainant's notice.

Darlaston Health Centre, Portland Medical Practice, Pinfold Health Centre, Broadway Medical Practice

Telephone: **01922 501999**

## Zero Tolerance

We have the right to work in a safe, friendly and non-threatening environment.

Violent, aggressive or abusive behaviour towards any member of staff will **NOT** be tolerated.

Any person found to be behaving in this way will be removed from the practice list.

## Home Visits

Home visits are available for the elderly and housebound patients although all requests will be considered.

## PPG

### Patient Participation Group - PPG

This is an informal setting and a chance for patients to meet and discuss ideas and suggestions with the practice. You will also be well informed on any new decisions regarding the services we offer.

We usually meet every quarter and details of these meetings are posted on the website and on our practice newsletter. Each year we also have an information session for patients, in the past these have included talks on diabetes, dementia and support for carers.

You can also submit your suggestions by email or join as a virtual member. Minutes of the meetings can be posted or emailed to you upon request.

## How to Register

A registration form must be completed on both sides along with a health questionnaire and your preference in relation to your summary care record.

You may also be asked to provide proof of your identity and/or proof of address. For patients entering the UK, a copy of your passport and/or visa will be required.

It is helpful if you can also provide a list of any medications you are taking.

This information is then passed to the GP and a decision will be made within 48 hours. We ask that patients contact the practice regarding the outcome of their application.

Once you are registered your records will be requested from your previous GP. You will then be invited to attend an appointment for a new patient health check. This will complete the registration process.

We are a veteran friendly practice and are working towards our registration for Veteran Friendly Accreditation. All applications to join the practice are treated equally with no discrimination.

## Making an Appointment

Consultations at the Practice are by appointment only and we try to offer these within 48 hours.

On weekdays, between 8:30am & 6:30pm, you can telephone to make an appointment or you can do it online (please visit our website for details or ask at reception).

Appointments for working patients can be arranged with the GP at a suitable time or alternatively a telephone or e-consultation consultation can be arranged.

## Missed Appointments

The surgery has a strict policy with regards to missed appointments. Where possible, please try to give ample notice if you are unable to attend an appointment.

## Online Services

Multiple apps are supported by our practice software - a list of these is available at reception.

Alternatively, a new NHS App is available .

**Using these apps enables you to...**

Order Repeat Prescriptions

Book Appointments

View your Medical Record

**You will need to register to use these services.**

## Electronic Consultations

Fill out a simple online form to get advice and treatment by the end of the next working day - This service is available through the practice website.

## Repeat Prescriptions

We operate a repeat prescription system. Please bring, write or email your repeat prescription request to the surgery, **allowing** 48 hours for collection.

Alternatively you could request it online, please visit our website or ask at reception for details.

If you leave a SAE with the reception your prescription will be posted back to you.

Where possible and for safety reasons we encourage patients to use the Electronic Prescribing Service. This is generally more convenient for patients who can nominate a local chemist.

## EPS & Repeat Dispensing

### *Electronic Prescribing Service*

This service sends your prescription directly to your nominated chemist.

To set up this service you simply need to nominate your chemist either in store or at the surgery.

Please be aware that the 48 hour rule still applies to repeat prescriptions. Items that are acutely prescribed can also be sent electronically and collected within a few hours.

### *Repeat Dispensing*

For patients on repeat medication (that is unlikely to regularly change), we can send batches of prescriptions to your chemist. This enables you to obtain your prescription from the chemist for a lengthier period without having to order with the practice.
