HOLIDAY IMMUNISATIONS

We do offer advice on travel vaccinations and can provide a prescription for these immunisations. We will also administer these in surgery (with an appointment).

It is however, the patients responsibility to locate a chemist that can source the items and process these prescriptions.

BABY CLINIC

TUESDAY'S

Your health, your choices

NHS Choices is the UK's biggest health website. Learn more about what we do and the services we offer by visiting...

www.nhs.uk

This site offers

- **A-Z health information and advice (symptoms, conditions, medicines and treatments).**
- **Advice on how to 'Live Well'**
- **Care and support**
- **Information on services near you**

You can also leave feedback about the surgery.

Whilst we appreciate your feedback good or bad, we ask that give the surgery the opportunity to resolve any problems you might have prior to leaving any negative comments.
