HOLIDAY SEASON

We offer holiday vaccinations.

Depending on where you are travelling to, you might need travel injections.

There is a travel form available at reception for you to complete with your travel details.

The Practice Nurse will then check your immunisation history and the vaccine requirements for the country you are travelling to.

If appropriate, you will be issued a prescription for the immunisations and will need to take this to your local chemist.

Please bear in mind that the surgery has no bearing on what chemists can provide these immunisations.

Once you have collected your vaccination, an appointment can be made with the Practice Nurse to administer these injections.

WALK IN CENTRE CLOSURE

Walsall Healthcare NHS Trust - Walsall Manor Hospital and Community Health

From 8pm on April 12, the Walsall Town Centre Urgent Care (UCC) service will be moving to the Manor Hospital.

The UCC is located at the rear of the hospital near our Emergency Department. Disabled parking is in front of Ward 29 and other public parking is available around our site. This service is for urgent treatment only.

If you need to see a GP out-of-hours, you can make an appointment at one of the four hubs in the Walsall area by calling 01922 501999.
