Online Services

Currently our online services are not available for new registrations.

There is a conflict between the surgery name and the name of the building and patients are unable to complete their registration.

While this problem is being investigated, you can email your requests to the surgery .

PRESCRIPTIONS

You can order your repeat prescriptions earlier in December.

Please ensure you are not without medication over the festive period and allow enough time for the GP and the chemist to order/prepare your items.

We still have Flu Vaccinations available!
