

# PARK SIDE MEDICAL PRACTICE

## **Publication of GP Net Earnings**

From 1 April 2015, it is a contractual requirement for practices to declare the mean earnings (e.g. average PAYE) for GP's working within the Practice.

The average pay for GP's working at Parkside Medical Practice in this financial year was £112,042 before Tax and National Insurance contributions. This is for 1 full time and 1 part time GP.
