

PPG

Patient Participation Group

Thursday 18TH July 2019

11.00 am - 12.00 midday

Our meetings are informal and offer information to patients about the practice and its services. It gives patients a chance to input their ideas and suggestions on how the practice can improve.

Alternatively, you could become a virtual member. Just submit your suggestions/query by email and we will discuss these and feed back to you.

walsallccg.pmpgp@nhs.net

Come and join us for a coffee and a chat!
