Remember A&E is for urgent and life threatening incidents.

Do not use A&E if there are other services available to you.

NEW FOR 2020!

Dr Latoria has been helping us out over Christmas and will be doing some permanent sessions in 2020.

PPG - Patient Participation Group - new members are always welcome and a special event for carers will be happening in The New Year.

CQC Outcome - We will get to know how we did in our CQC inspection — thanks to the PPG members and patients that came to speak for us. We really appreciate it!
